FALL ENROLLMENT DOWN

Enrollment at St. Patricks/McDaid took a disappointing drop of over thirty students this fall. Much of the decline was attributed to an inordinately large number of family moves from North Platte and a small kindergarten class.

Enrollment and marketing continue to be major concerns and a major focus of both the school improvement processes and the Endowment-Development office efforts.

Enrollment is currently 406 K-12.

TEED OFF

A "parting shot" from the 2005 St. Patrick Alumni Association reunion activities. As usual the Golf Outing at the North Platte Country Club was one of the better attended events.

Pictured here are a trio of Golden "boys" and a next year golden celebrant, duffers all: (l-r) Duke Hudson, Dick Horne, Jerry Dorwart and Bob Doyle.

They will attest to the good times to be enjoyed at the annual reunion. "Ya'll come now, ya hear!" June 30, July 1 ... reunion 2006!
